Offertory Procession. As you know a lovely practice at our **week-end Masses is the participation of people in our offertory procession.** It has also been traditional that **members of the family of whom the mass is been offered for carries out this part of the liturgy.** The offertory procession of bringing forward the bread and wine which represent in their unity the many grains and grapes of human diversity but also the collective experience of the entire congregation in terms of their work and their suffering and indeed every single reality that God has created. In order for this practice to continue, **I would ask for some members of the family whose deceased loved one the Mass is for to please contact our sacristan Rolly / Rose in the sacristy either during the week before the Mass or just before the Mass in order that the gifts will be placed on the offertory table.**
