My organisation (ALHomecare)

provides live-in carers for the elderly in your area. Our service enables elderly people to continue on living in their own home and postpone the need for nursing home care for longer. We have been in business 5 years, we are a registered recruitment agency and we currently have 75 live-in carers working in Ireland. I am sure there are members of your congregation who would be interested in our service. Elderly care can be very expensive but it doesn't have to be. Because our carers are live-in and the family provides the accommodation and food, the cost is actually very reasonable, especially in comparison to nursing home care or visiting carer services. Affordable Live-in Homecare provide live in carers for the elderly in your area. If you are looking for a live-in carer for your relative, please call Eileen or Tom today on 087 9916791. Our website is www.alhomecare.ie

Oldcastle & Moylagh Cemetery Mass Thank You's

Sincere thanks to all who helped in any way in having Mass and blessing of the graves in Oldcastle & Moylagh cemeteries. Special thank you to Fr Peter Gilsenan for assisting. Without naming anyone a sincere thank you, but especially to our Community Employment Team (FAS) team who keep the cemetery so well trimmed and neat throughout the year. To our Readers, Eucharistic Ministers, Collectors, Paula, Deirdre & Choir Girls in Moylagh and Ann Galligan in Oldcastle, Altar Servers and Sacristans for all their help. To our Parish Committee who gathered to organise everything, **Thank You** to all. Michael Callery for the great sound in ensuring we were heard so clearly on the day and finally to all of you who turned out in such great numbers and for keeping your family plots so beautifully, a fitting tribute to all your loved one's resting place. And to your generosity in contributing so generously to the cemetery collections. Well done everyone. **Please keep up the good work by making sure there is no dumping of withered wreaths or flowers, please bring them home with you**
